

## TES Roaring Readers

Roaring Readers is a PTO-sponsored reading incentive program to encourage the love of reading to our students. Follow the instructions below to receive credit for Roaring Readers:

- Read for **at least 20 minutes a day for 20 days** a month. This includes reading independently, being read to, reading aloud to young readers, and/or listening to audio books.
- Place an X in each box once the 20 minutes has been achieved.
- Turn in the correct month's log sheet between the 1st - 5th of the following month.

Note: Late submissions do not qualify for monthly prizes, but students will still receive credit towards semester prizes. Semester prizes are awarded in February and June for students who reached 75% participation per semester (i.e., turned in 3 completed sheets between Oct - Jan and/or 3 completed sheets between Feb - May).
